Financial Help for Your Child
Your child’s caregiver may be able to apply for Temporary Assistance (often called child-only grants) that provides monthly cash assistance to be used for the care of your child. This assistance is based on the income and resources of your child, not the income of the non-parent caregivers. Caregivers may also be able to apply for Food Stamps, Medicaid, childcare assistance or other services for your child. For more information and an application package, the caregiver can call 211 (available in most counties) or visit the local department of social services (HRA in New York City).

Handbook for Caregivers
The New York State Handbook for Relatives Raising Children, Having a Voice and a Choice, discusses the various options available to caregivers. The handbook is available online at www.ocfs.state.ny.us/main/publications/Pub5080.pdf.

This information sheet was prepared as part of a flyer to help parents who have been arrested plan for their children. While the flyer does not provide legal advice, it does explain various short- and long-term options that help parents plan appropriately for their children’s care and provides information about resources that can be helpful to parents, their children and their children’s caregivers.

The flyer is available on the NYS Permanent Judicial Commission on Justice for Children’s website at www.nycourts.gov/ip/justiceforchildren/incarceratedparents.shtml.

This flyer should not take the place of speaking with a lawyer about your plans for your child.
