

Delaware Opportunities, Inc.

FAMILY OPPORTUNITY CENTER

Services Navigators

- * We partner with families in Delaware County to help build family strengths and supports.
- * Our team helps families navigate community services such as SNAP, WIC, HEAP, etc.
- * We are working on building a community of parents and caregivers through activity nights and workshops around the County.

Let's
Work
together!

Sharpen Your Parenting Skills

Every caregiver has parenting strengths. With Triple P (Positive Parenting Program) you can build on these strengths and learn some new skills. We offer 1:1 coaching with this free, proven parenting course. Every family will receive a gift card upon course completion.

Ask your Navigator about Triple P!
