

## Participant Feedback

### Shatika, EPIC participant

"We aren't meant to parent alone. This support means everything to me."

### Amina, EPIC participant

"The world doesn't give you a guidebook when you have a baby. But it did give me EPIC."

## About Our Center

EPIC and our Family Opportunity Centers are inclusive of all families and their unique needs.

Our services are FREE!

Bring your child to visit our play space and meet with our family partner to learn more about what we can offer.

## Our Services

### FAMILY ENRICHMENT

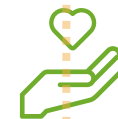

Our goal is to strengthen caregiver/child bonds and improve early childhood development through play, family engagement and early literacy skills. Our center aims to give families tools and strategies to address a variety of parenting challenges.

### FAMILY PARTNERSHIP

Our family partners are here to listen, offer support and assist in linking you to services and resources that would be most beneficial to you, your children and your family as a whole.

### IN-KIND & FINANCIAL ASSISTANCE

Financial assistance and other supports may be offered to families on a case by case basis and as funding allows.
